

HIGHPOINT APARTMENTS

420 Kent Drive • Bellefontaine, Ohio

- 144 units
- Built in 2007

This newly built community was acquired by a Dietz Property Group affiliate in 2007 from a local developer who was relocating operations to Arizona. We believe we acquired the property at an attractive price and intend to hold for the long term. Operationally, the property will benefit from the fact that we own another long term hold close by.

The market for high quality property of this type is expected to grow in pace with the neighboring Honda of America facilities, located only 20 minutes southeast of Bellefontaine.
